WAINWRIGHT, ALBERTA, WEDNESDAY, JUNE 23rd., 1915

NUMBER 38

MANY PUPILS ARE SITTING IN SCHOOL EXAMS

Scholars Here From Several
Points in Surrounding
District

Pupils of the Wainwright public schools with those from Irma, Chauvin, Heath and Edgerton, are at present busily engaged in taking their departmental examinations in grades 8, 10 and 11. Altogether 33 pupils are sitting for the public school leaving. In grade 10, the following are being examined: Harry King, Lol a Mabey, Meale Mabey and Vera Limpert. Those for grade 11 are Margaret Livingstone and Peter Milne. Pupils in grades one, two and three are also being examined, these classes being taken by Miss Parsons. Miss Bremner is conducting the exams in grades four and five. All these are taking place this week. The past week saw examinations conducted in grades 9 by Mr. Brodie, and in grades 6 and 7 by Mr. Bryden. The results of the local examinations will be made known immediately after the receipt of Mr. Brodie's report. The results of the departmental will not be public until July. The presiding examiner here is R. L. Callaghan of Ryley. Mr. Brodie is presiding at Holden and Mr. Bryden at Telford.

D.O.E. MEMBERS TO MAKE BANDAGES FOR STRICKEN SOLDIERS

In a further effort to allay the sufferings of the Empire's soldiers at the front, members of the local chapter of the Daughters of the Empire will meet in the office of H. Y. Pawling, Main street, at 2 o'clock on the afternoon of July 8th for the purpose of making bandages. Any old linen that can be collected by the busy housekeeper should be sent to the office of the before named or to The Star building. All donations will be thankfully received.

SUNDAY SERVICES IN LOCAL CHURCHES

Services will be held in St. Thomas on Sunday as follows: morning prayer at 11, with an address on the text: "Hallowed be Thy Name"; evening prayer at 7:30, with sermon upon the subject: "St. Peter and Rome". The service for children will be held at 2:30 o'clock.

Next Sunday June 27 is being observed as Patriotic Day in St. Andrews Presbyterian church. Special services will be held. The church will be fittingly decorated for the occasion. Rev. Thos. Murphy, B.A., will conduct both services taking as his morning subject "The True Patriotism" and in the evening "Patriotic Citizenship". Special music will be rendered. Then at the afternoon Sunday school session which commences at 2:30 there will be a special treat for the boys and girls to which also the older people are invited. The children present will be given Patriotic Buttons to wear. To all of these services you are cordially invited.

Gilt Edge Picnic Is Enjoyed By Large Number Of Persons

Gilt Edge picnic held on Thursday of last week, now takes the form of a happy event of the past. It was an event that will be long remembered not only because of the large number of persons that attended despite gloomy weather conditions, but because those present, by reason of the excellent preparatory arrangements, enjoyed completely the program in its every detail.

Foot races were held for young and old, horse races for anything and everything that the owner cared to enter and, above all, a baseball game replete with excitement and with Gilt Edge and Wainwright as the contestants, occupied a high position of the program. Here let it be stated that Gilt Edge was forced to kneel to defeat, the score being 9 in an eight inning game. The score stood at 6-6 in the seventh, Wainwright notching three

DELEGATION ASKS COUNCIL TO AID IN CELEBRATION

A special hearing was given a delegation from the Twelfth of July celebration board at a meeting of the town council held on Tuesday evening. The outcome of the conference took the form of the town council backing the celebration committee to the amount of about \$500, this in case of a deficit, to be applied to meet either the train guarantee or the expenses entailed in connection with the day's program. It was explained by the delegation that there was only a small possibility that money would be needed from the town, for with good weather, the expectations were that the celebration would more than pay for itself.

TELLS OF STOCKYARD

A. L. Woods representing the Edmonton Stockyards Ltd. was a visitor in town on Saturday last during which time he interviewed several local cattlemen in connection with the benefits they would derive by the establishment in Edmonton of competitive yards. He pointed out to them and others the necessity of stock yards in Edmonton and told of the good to this portion of the west that would follow their establishment. It appears that all cattlemen are highly in favor of the proposal to inaugurate stock yards in Edmonton.

GRAND STAND TO BE ERECTED ON LOCAL GROUNDS

Financial arrangements have been completed for the construction on the Wainwright Exhibition grounds of a grand stand that will be capable of seating in the neighborhood of 400 persons. Plans and specifications in connection with the work will be made as soon as possible and tenders called for and a contract let so that the stand will be in readiness for the 12th of July celebration. It will be erected on that portion of the grounds most suitable and will be built for the Wainwright Agricultural Society.

runs in the last stanza. Stan Livingstone, Wainwright's twinner was the bright star of the engagement, for in addition to holding the Gilt Edgers to one hit, he hit two home runs. Mooney behind the bat was a little nervous at the beginning but with the progress of the game he took on confidence and batted Stan's curves in good style. Goldie had a good day at second, making a spectacular catch from Anderson's hot liner that would have easily gone for two bags. Old War-Horse Bob Campbell at first, performed like a big leaguer injecting lots of pep into the game.

Gilt Edge used three pitchers, W. Fox, C. Anderson and H. Anderson but neither could prevent the bombardment of the Wainwright 42 Centimeters after they found the range. The series between the two teams now stands one game apiece. It is expected that another game will be held in the near future. The game was umpired by Gardiner Lewis.

The most exciting of the foot races was that for old men when T. Hieckel and E. Wilhelm ran a dead heat. In the deciding center, Wilhelm won out by a nose or two. Following are the results of the races: 100 yds dash Hugh Anderson, J. McVern; 50 yds. for boys, H. Taylor, L. Wilcox; 50 yds girls, Hazel Anderson, M. Taylor; race for boys, 12 years and under, Cecil Hieckel, Philip Wilhelm; standing broad jump, C. Anderson, W. Blynn; running long jump, W. Blynn, C. Anderson. Pony race (name of rider) B. Babb, S. Kitchen and E. Teeter; Free fall, R. Fox, S. Kitchen and J. Desnoeurt.

NEW METHODIST MINISTER WILL PREACH SUNDAY

On Sunday next, Rev. R. Kells Swenerton, M.A., B.D., the new pastor of the Methodist church, will open his ministry in Wainwright. He comes highly recommended as a pastor and a man and the local church anticipates he will exercise a useful ministry in this town. Morning service will be held at 11 o'clock, evening service at 7:30 and Sunday school at 2:30. Special music for the evening service will include a solo by Miss Parsons and an anthem and quartette by the choir. Rev. H. Bosomworth, B.A., preached his farewell sermon in the Methodist church on Sunday last. It was heard by a large congregation. His address dealt with objections to the liquor act now appearing in the press. Mr. Bosomworth leaves carrying with him the best of wishes of the congregation of the Grace Methodist church.

Miss Mable Carbert visited relatives and friends in Edmonton during the week-end.

Frank Stott has left town for his homestead.

No word has yet been received locally from the Wainwright volunteers in England.

Plans and specifications are being called by the Wainwright Agricultural Association for the erection of a grand stand on the Exhibition grounds. Particulars will be furnished by R. A. Snyder.

SEVEN DAYS OF BARGAINS FOR ALL TRADERS

Stores Will Exercise Every
Power To Make Week
Big Success

With the opening of the stores on Friday morning, "Dollar Week" will be inaugurated in Wainwright. The question arises: "What is Dollar Week?" Here let it be set forth with particular stress and as much emphasis as possible, that "Dollar week" is a public benefit week for the people for every person who trades in Wainwright. It is a week in which all storekeepers advertising in the Star will exercise every endeavor to give their patrons more than one hundred cents worth of goods of good quality for every dollar expended. With such as the case, the Star asks every reader to turn to the back page and to carefully study every ad. The time so expended will be well worth while.

C. T. Lally will do all he can to make the sale a success. The G. H. Beaudry Company will do the same. To use their own words, Wainwright's week of dollar bargains will prove money-maker to the purchaser, because they have set out to make it such. Fred Small of Small Brothers, is advertising a few bargains. They are exceptional because they are good and cheap. W. A. Red Cross Pharmacy is an endeavor to tell the people what good sound purchasing can be made for the outlay of a single dollar at its place of business. The Wainwright Pharmacy comes forth with a bargain that knock off a full fifty per cent from the usual purchase price.

"Bill" Clark places no impediment in the way of the brisk business he expects at his store during "Dollar Week". He advertises some exceptional bargains in seasonable wear for men. For the smoker, Fred Gordon of the Palace Billiard Hall will give bargains that will shadow anything that appears in lists from the catalogue houses. To the farmer and homesteader, the smoker's ad should prove of special interest. W. E. Washburn advertises a special bargain and so does Musson and Ross.

To put one and one together, the Star's back page should be carefully read this week for those taking advantage of the many bargains offered, should bring particular benefit to themselves.

FRIENDS GATHER AT BIRTHDAY PARTY

Mrs. Ed. Burton was at home to a number of her friends on Friday afternoon last, the occasion being her birthday. Cards were enjoyed for a while after which dainty refreshments were served. The following verse written by a friend was presented, with a silver cold meat fork, and a hand painted cake plate.

Together we wish you the
Joys of this life,
Unmarred, undimmed, un-
weary, the way,
And gladness returns far into
the year.

On this your happy birthday
The ladies entertained were
Mrs. H. W. McLeod, Mrs. Jack
Brown, Mrs. John Frates, Mrs.
Harvey Banks, Mrs. Herbert
Smith, Mrs. Jack McIntire, Mrs.
J. B. Maddox, Mrs. Tom Trace
Mrs. O. A. Rogers and Mrs. Bob
Campbell.

Blair To Recommend Regarding Cemetery And Summer Resort

W. J. Blair, conservative candidate for the federal riding of Battle River, spent a busy day in Wainwright on Friday last. The outcome of his visit here will assume the form of recommendations which he will submit to the various departments. One will be in regard to the Wainwright cemetery site in which he will ask for proper arrangements to make some arrangement where the present cemetery site may be owned and controlled by the town. The other, following the suggestion of P. C. Bernard Harvey, chief superintendent of Dominion Parks, will recommend that early action be taken to adapt Horse Lake, situated one mile south of town and within Buffalo Park, into an up-to-date and attractive summer resort.

Mr. Blair made a visit to the Park on Friday afternoon and following this, in company with

town-secretary Kenny, inspected the cemetery site. In regard to the park, the advisability of forming some attractive resort has been talked of for a considerable time. Thus, it can now be anticipated that some definite action will be taken at an early date. Mr. Blair is one of those men, who, seeing that the park is located here, believes that all possible should be done to make it attractive to visitors. His idea is that it could be made to prove an asset to Wainwright.

Jameson Lake was the first sheet of water spoken of as providing the best for a resort, but although situated in a portion of the country five miles from Wainwright that is replete in scenic grandeur, it has several drawbacks. While perhaps not so prettily situated, Horse Lake, with its fresh water and sandy beach is closer to town and offers every opportunity for the erection of cottages and all that will add to and make an attractive resort. It will also provide the townspeople with every opportunity of spending a pleasant week-end at a cost that will be reasonably low. Mr. Blair left town on Saturday for Hughenden.

PEOPLE HEAR BLIND ORATOR SPEAK ON NEW LIQUOR ACT

James A. Osborne, California's blind orator, spoke to a fairly large crowd in the Elbow theatre on Monday evening. He dealt with the proposal to introduce prohibitory laws in the province, and told of those phases in connection with the adoption of prohibition that, in his opinion, would prove detrimental to the interests of the province and its people.

He said in part: I am opposed to prohibition because prohibition is opposed to temperance. Every argument in favor of prohibition is an argument against temperance and every argument in favor of temperance is an argument against prohibition.

The present mode of economic production breeds intemperance in a hundred different directions, hence nearly all of us have some kind of a "jag on". Some have a beer "jag", others have a tea or coffee "jag". Then there is the business "jag", and some get a "jag" from lack of business. And then there is the pious "jag", manifesting itself in the Holy Rollers and other forms of religious dementia. Finally, there is a large element who have the "dry jag". The prohibitionists have the "dry jag" and want to force everyone else to take the same kind of a "jag" they have.

Prohibition is not only opposed to temperance, but is incompatible with science and the freedom and intellectual development of the twentieth century. When the state assumes to control the thought and desire of the citizen it assumes to do something which is not only unnatural, but beyond the limitation of its power. For this reason prohibition has been a failure everywhere. For example, in the State of Maine, the oldest prohibition state across the line, there are more arrests for drunkenness in proportion to population, than in any other state in the Union. Prohibition in Alberta can only mean material disaster.

There is in this province, \$25,000,000 of wealth in use in the allied liquor trades. Prohibition does not mean the confiscation of this private wealth for public use, but means its complete annihilation. Such catastrophes are sometimes visited upon communities by fire, flood, earthquake, or tornado, but whether by the vote of the people or the forces of nature, a large amount of the wealth is suddenly eliminated from a community, it can only result in a social calamity. Prohibition would also throw out of employment 5,600 workers in this province—five thousand and workers thrown into a labor market that is already overcrowded to such an extent that life has become a burden to millions of workers surrounded by boundless natural resources.

STRAWBERRY SOCIAL WAS ENJOYABLE

The strawberry social conducted by the Presbyterian Ladies Aid, and held on the lawn of Mr. and Mrs. O. J. Elder last Friday was a splendid success, not only from a financial but also from a social point of view. It brought people together in a social way and developed the friendly spirit. During the evening the citizens band, under the leadership of Mr. King rendered excellent service. And to members of the band, as well as to Mr. and Mrs. Elder, the Ladies Aid wish to express heartfelt thanks.

COMMITTEES ON BIG CELEBRATION DISCUSS PLANS

Meeting Held on Monday
Evening Advances
Arrangements

A large and representative meeting of those interested in the Twelfth of July celebration was held in the council chamber on Tuesday evening. It resulted in the transmittal of knowledge of what arrangements had been made so far and as to what work required to be carried out immediately.

H. C. King reported that it had been found impracticable by the committee to conduct a band concert as was originally proposed. He suggested that the concert idea be abandoned and that in its stead the local band be paid \$100 for the music on July 12th on the consideration that it so adapt the skating rink to make the building suitable for a concert and dance that the band would give in the evening, the proceeds from which they would receive. The suggestion met with approval on the motion of V. E. Graham, seconded by H. W. McLeod, was favored by the meeting.

The report of the committee on horse racing was read by B. Simmerman. He suggested that the program contain four races, one a harness race with a first prize of \$100 a second prize of \$50 and a third of \$25; also a running race for the same money; one pony race with first and second prizes of \$15 and \$10 and a Ladies pony race for similar prizes. Following a statement by Messrs. Kaine and Milne that they would jointly contribute \$50 to purses, the report was adopted.

A contract was awarded to Mr. Dowling to supply trees for street decoration while the Orange Lodge was asked to appoint a committee to look after street decoration generally. In consequence of the absence of Mr. Siddall, a report could not be submitted to the meeting in reference to the baseball competitions. A special train has been arranged for from Mirror on the west. Negotiations are now pending for a special train on the east.

G. T. P. TRAIN LEAVES RAILS NEAR ARTLAND

Wainwright people who assembled at the depot at 10 o'clock on Saturday night, saw a train made up of engine and cabooses, the latter being used for the conveyance of passengers in consequence of a wreck which occurred to train No 1 at a point near Artland. Passengers on their arrival here told a story of a thrilling few minutes occasioned as a result of the train leaving the tracks, owing, it is said, to a spread in the rails. Fortunately, no injury was recorded. Passenger cars were sent from Edmonton and the weary travelers changed from the cabooses to the standard regulation cars at Philp.

Following an operation for appendicitis, William Headon, the 15 year old son of Richard Headon, died at his home situated about 12 miles north west of town, on Friday last. The funeral was held on Sunday from the Anglican church, interment taking place in the Wainwright cemetery.

WAINWRIGHT ALTA., WEDNESDAY, JUNE 23rd, 1915

PRESENT BUSINESS CONDITIONS GIVE REASON FOR OPTIMISM

THAT TRADE IN CANADA has passed the period of greatest depression and already exhibits signs of a sound revival in many lines, appears to be the opinion of the majority of representative business men throughout the Dominion who have contributed their views to a comprehensive survey of conditions which has just been completed by the C. N. R. Less than ten per cent of those responding, confess to a gloomy outlook; more than ninety per cent, numbering more than two thousand, report themselves as optimistic as far as the immediate future is concerned. Practically all are agreed that trade conditions will rapidly return to normal after the restoration of peace. A large number are convinced that if the harvest of 1915 is up to expectation, domestic business will be satisfactory in all the provinces.

The reports indicate that business in the Dominion, as a whole, is from 15 to 20 p.c. below the normal of one year ago. Exactly two-thirds of the informants report a volume of trade as good, or better, than it was last autumn, while 12.03 p.c. state they cannot compare present business and last autumn business because trade is always brisker with them at one season than during the other. Apparently trade in the Maritime Provinces is affected least. In the Prairie Provinces it is not nearly as brisk as it was last year, but optimism is reviving under the influence of excellent crop prospects. Business in Quebec is slow, but apparently improving, and in Ontario it is gradually returning to normal condition. Broadly considered, the reports show that business in the towns and villages located in well-settled, fertile agricultural districts is practically normal. Dealers in all lines report that collections in such centres are generally normal, and that activities have not been curtailed to any extent. The chief falling off has been in the large industrial centres. When reductions in staff were made by manufacturers and by business houses last autumn, retailers were forced to curtail credits to customers thrown out of work and in turn wholesalers were obliged to scrutinize carefully all credits extended to retailers. The people generally continued to purchase necessary lines of food-stuffs and essentials in other branches of trade as well, but dealers discovered that goods not falling within that classification were in danger of becoming dead-stock upon their shelves; however, as Canadians arrived at a better understanding of actual conditions, a certain amount of confidence returned, and retail sales were gradually extended to take in the usual lines of goods. The distribution of orders for war materials also exerted a favourable influence where it brought about a renewal of employment in several of the industries in the large cities, and trade credits relaxed to a proportionate extent. Collections, despite the altered conditions, appear to have continued fairly good in the large centres, and seem to be steadily improving.

The strong position in which the farmers of the Dominion were placed, with the exception of those in the drought-stricken areas in the southern portions of the Prairie Provinces as a result of the marketing at excellent prices of their farm produce—particularly grains and cheese—has worked out apparently to the advantage of the groups of manufacturers whose products are distributed, wholly or in part, in the agricultural districts. It is clearly shown that purchases by the farmers have contributed very largely to the maintenance of output in many lines. They have continued buying their regular supplies and necessary farm implements; and they have also been devoting a portion of their surplus fund to the improvement of their farm properties. When the call came to extend, wherever possible, the acreage of important cereals, they, apparently, exhibited no hesitation in making the necessary outlays for additional facilities. Meanwhile they seem to have proceeded with building plans and makers of, and dealers in, cement, paints, varnishes and building materials of various descriptions, do not hesitate to pay tribute to the manner in which the farmer has stimulated their marketings and helped to take up the shrinkage in business. The farmer seems to have been in the market for automobiles of a popular price on a scale greater than ever before.

The reports indicate a keener perception by all classes of the importance of the position which agriculture occupies in the business life of Canada. There is evidence of a disposition to lean upon the crops of 1915, and to qualify expressions of optimism regarding the future with the remark that "the crop is the determining factor." According to the special reports sent in by the various Departments of Agriculture, prospects of a good yield on a largely increased acreage are bright throughout the Dominion. With the incentive of prevailing high prices, farmers have devoted more time and care to cultivation, and generally appear to have used this year, seed of higher germinating quality than ever before; it seems to be safe to assume that if only an average crop per acre is harvested, the total output will be larger than in any year since the growing of grain was commenced in the Western Provinces. The acreage in British Columbia is said to have been more than doubled, in the three prairie provinces it averages twenty-two per cent; no percentages are supplied by the Department in Ontario, but the acreage is reported to have been increased materially. A similar condition obtains in the Maritime Provinces. In Quebec the normal acreage is indicated.

NOTES AND COMMENT

Our natural market for dairy products is in British Columbia. That market is at present largely occupied by New Zealand, particularly in the case of butter. New Zealand has established herself there by supplying a uniformly good and dependable article. We in Alberta can profitably apply the same principles, careful, clean, sanitary methods on the farm and the manufacture of the butter by the most modern methods in well-managed creameries.

WHEN MISREPRESENTATION IS NECESSARY. IT PROVES A CAUSE TO BE UNWORTHY

The Calgary Albertan has ignorantly or deliberately misrepresented the Liquor Act
READ BELOW AND SATISFY YOURSELF

Chapter 89 of the Consolidated Ordinances of 1905. Clause (120):—"When complaint has been made to a justice that any person by excessive drinking of liquor mispends, wastes, or lessens his estates or greatly injures his health or endangers or interrupts the peace and happiness of his family the said justice shall institute proceedings under part LVIII of the criminal code of 1892 against such person and on finding the complaint well founded, shall by form J appended hereto, forbid every licensed person in the territories to sell him liquor for the space of two years."

Sub-Section 3 of the same chapter says further that when any person knowingly supplies such interdict with liquor he is liable to punishment.

Clause 73 of the Liquor Act says:—"The Liquor License Ordinance being Chapter 89 of the consolidated ordinances of 1905 and all amendments thereto are hereby annulled."

The Morning Albertan of Calgary says, editorially on June 12th, 1915:—

The law of interdiction is a very good one. It will remain in force just the same after prohibition comes in force as before. It will not be very much needed then because the whiskey traffic will be destroyed. As there will be no legalized places where liquor can be bought in the Province the chances for the interdicted man to get liquor will be very greatly lessened, in fact it will be reduced to a vanishing point."

The Albertan has deliberately made this mis-statement, or else it displays a gross ignorance of the legislation it is supporting.

Synopsis of Canadian Northwest Land Regulations.

THIS sole head of a family, or any one over 18 years old, may homestead a quarter-section of available Dominion land in Manitoba, Saskatchewan or Alberta. The applicant must appear in person at the Dominion Lands Agency or Sub-Agency for the District. Entry or proxy may be made at the office of any Agent of Dominion Lands, not subject to certain conditions. Duties—Six months residence upon and cultivation of the land in each of three years. A homesteader may live within nine miles of the homestead on a farm of at least 80 acres, on certain conditions. A habitable house is required in every case, except when residence is performed in the vicinity.

In certain districts a homesteader in good standing may, pre-empt a quarter-section along with his homestead. Price \$3 per acre. Duties—Six months residence in each of three years after earning homestead patent. And no more extra cultivation but free employment may be obtained as so. Homestead patent, on certain conditions. A settler who has exhausted his homestead right and cannot obtain a pre-emption may take a homesteaded homestead to certain districts. Price \$10 per acre. Duties—Must reside on or in each of three years, cultivate five acres and erect a house worth \$50. This act of cultivation is subject to refection in case of rough, scrubby or stony land. Livestock may be substituted for cultivation under certain conditions.

Steve Horick,
Hope Valley.

SMALL BROS. FUNERAL DIRECTORS AND EMBALMERS COMPLETE STOCK OF FUNERAL SUPPLIES

Prompt and careful attention accorded ALBERTA BLACK

SYNOPSIS OF COAL-MINING REGULATIONS

Coal mining rights of the Dominion, in Manitoba, Saskatchewan and Alberta and the Yukon territory, the Northwest Territories and in a portion of the province of British Columbia, may be leased for a term of twenty-one years at an annual rental of \$100 per acre. Not more than 2,500 acres will be leased to one applicant. Application for a lease must be made by the applicant in person to the Agent or Sub-Agent of the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be described by the applicant himself.

Each application must be accompanied by fee of \$5 which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the Agent with sworn returns, accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not operated, such returns shall be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of \$10 per acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or Sub-Agent of District.

W. W. CORY
Deputy Minister of Interior

Edgerton

Tennis seems to be the popular game in town at present and nearly everyone is taking up the racket and getting into the game. Some enthusiastic players even get up early in the morning to have an hour, good practice when they cannot be seen.

The town band journeyed to the picnic Friday which was held at McCafferty's lake and provided music during the afternoon. A large number of people in town accompanied them and all enjoyed themselves. The weather turned out fine.

The band is increasing in number every week and every member is working hard to have an excellent selection for the first of July.

Who put the kibosh on that tom-cat?

The usual Intercession Service in the Church of England on Thursday at 7:30

The STAR has received many orders for visiting and business cards during the past few weeks. New type was secured recently especially for this work.

Notice to Creditors

IN THE DISTRICT COURT OF THE DISTRICT OF STETTLER.

IN THE ESTATE OF OLE JENSEN BERG, LATE OF COMPEER, IN THE PROVINCE OF ALBERTA, DECEASED.

NOTICE is hereby given that all persons having claims upon the estate of the late Ole Jensen Berg, who died on or about the 17th day of February 1915, are required to send the Jensen Berg or to A. O. Thomas, Solicitor for the administrator of the estate at Coronation, Alberta on or before the 28th day of July A. D. 1915, a full statement of their claims and of any securities held by them duly verified and that after that date the administrator will proceed to distribute the assets of the deceased among the parties entitled thereto, having regard to the claims of which notice has been filed with A. O. Thomas, Solicitor for the said administrator at Coronation (foreclosed). Dated at Coronation, in the Province of Alberta, this 8th day of June A. D. 1915

A. O. Thomas,
Solicitor for the Administrator.
